Medical conditions / treatment required/ allergies:
--

I will inform the Head Coach / Instructor as soon as possible if there are any changes in the medical circumstances. I agree to my son/daughter receiving emergency treatment; including anaesthetic as considered necessary by the medical authorities present.

Radworx will issue your child with safety equipment before the start of each session. It is your child's responsibility to ensure that they wear the protective gear throughout their session/lesson. As the extreme sport your child is taking part in is inherently dangerous, we must point out that even safety equipment may not prevent injury.

I have read the above disclaimer and understand that not all injuries can be prevented. By signing below I accept the conditions outlined and agree to my child taking part in the session at the Radworx indoor skatepark.
